The heavy mortality from disease was due most largely to the influence epidemic of last fall both in the American camps and overseas. The actual fighting fatalities are the 1,039 killed in action actual fighting fatalies are killed in action and died of wounds. Under the head of deaths by accident are several who were killed in airplane catastrophes. Lost at sea included those who died aboard transports and those whose ships were sunk or never accounted for. Under the head of cause not stated were several deaths in German prison camps. The Kentucky Council of Defense is launching a Statewide historical campaign for the entire month of

PRAISES ROSEDALE No one who has visited the famous RoseDale Addition which will be sold in lots at auction Thursday, was perhaps more impressed with it as a residential site than Judge Charles A. Hardin, who was here Sunday and

was driven over the tract.

Meanwhile the Wakefield-Davis Realty Company is sparing no efforts to have the beautiful entrance to the Park on West day morning. Hundreds of visit-ors were on the ground all day Sunday and it is perhaps no exagan acre. An appeal was taken from the court's judgment.

The court overruled motions for new trials in the court's property and it is perhaps no exaggeration to say that no sale held in this section in recent years has created the interest that this one has
